So I changed the meeting to Wednesday afternoon, as it seemed like the only time available for both of us. However, you might have seen a message from Joel for our rescheduled meeting with our management from January 18 to January 5 (due to a briefing that will need to be provided to Alexis from our management prior to her meeting with Steve Brittle on January 9).

I'll try to change the meeting to Wednesday. I flew back today, and am actually now working from home in Oakland rather than from the office.

Hi Janice,

I hope the holidays are going well for you so far. Looks like you're out of the office today too, but I wanted to see if we could move this meeting to Wednesday- it turns out I'm

flying back on Tuesday, and not Monday like I expected.

Thanks,

Eugene
